This is a fun and rewarding class for beginners or advanced students.

## Mixed Media Printing

## Calligraphy Basics

**With Rebecca from Panoply Studio**

**August 1 Exploring Italic and Uncial**

**Letterforms.** Starting with chisel nibs and inks, and if you are feeling adventurous working up to brushes, water-colour and acrylics.

**August 8 Exploring Copperplate and Modern**

**Letterforms.** Starting with pointed nibs and inks, we work through traditional practices and forms, and then start to loosen and relax them as we morph into a modern style of calligraphy.

*Bring a short verse, lyric or special word to include in your calligraphy creation*
